EXPERIENCE

I had a 4 Years of experience in Front -End- Web Development. All my experience details are in my portfolio.

PROFILE

I am Azam, a passionate front-end web developer with 4 years of experience in designing and implementing engaging user interfaces for websites and applications. With a deep understanding of web technologies and a flair for creative problem-solving, I transform ideas into visually appealing and functional digital solutions.

PORTFOLIO

Explore My Work: [[My Portfolio](#)]

Showcasing my expertise in crafting visually appealing, responsive, and functional web projects using:

- **HTML5:** Clean and semantic markup for structured, accessible web pages.
- **CSS3:** Modern styling techniques, including Flexbox, Grid, animations, and responsive design.
- **JavaScript:** Interactive features such as dynamic forms, DOM manipulation, and user engagement.

PROJECTS

Landing Page

Created a visually appealing landing page for a startup (non-responsive). Just to show my designing skills.

Interactive Quiz App

Created a JavaScript-based quiz app with dynamic functionality and user interaction.

Tic Tac Toe Game

Created a fully functional JavaScript-based Tic Tac Toe game.

Rock Paper Scissors Game

A fully functional JavaScript-based Stone Paper Scissors game.
